What is Canada 150/150?

Canada 150/150 is a special project taken up by Festival of India Ottawa and ICCC to promote inter-cultural connectivity through greater positive interaction between diverse Canadian cultures by bringing together 150 hosts and guests.

Celebrate the multicultural fabric by hosting guest(s) from a different culture at your home. Guest(s) can be a family or an individual.

Enjoy a day of cultural exchange.
